JOIN US! Bowling at AMF Deer Valley Lanes!! All net proceeds will fund the Washington Education Foundation's (WEF) efforts to benefit the students, staff, and schools in the Washington Elementary School District (WESD). By securing resources to help achieve WESD's educational goals, the WEF constantly strives to improve public education. Since 2003, the WEF has proudly awarded over \$130,000 to teachers, staff and students for projects and professional development to enhance the learning environment in WESD classrooms and schools. Community and WESD support is crucial to the success of the WEF's volunteer-led fundraising events. The WEF recognizes donor and sponsor support in school-based and district-wide newsletters, at events, and on www.wesdfoundation.com.
